“ Trina was so sweet and kind to us and the kids during the home selling process. I remember giving her big hugs and thanking her for selling us your home. I will promise to keep her spirit alive there as we raise our children and make memories in your old house. I prayed to her the day I found out she passed as I was walking around the pond. I hope as she watches from above seeing us fishing and swimming that it will bring a smile to her face. Our thoughts and prayers are with you and your family during this huge loss.
