“ *Judy and I are sorry to hear of Verna's death and we share in the family's loss. It has been a difficult time with Verna's extended illness and we are glad for her relief and eternal reward in heaven. She is now again with Mike there and they are both happy to be together again. She will be remembered in our hearts and minds with all the joyful memories that she has brought to all of our lives. She was such a strong caring mother and person. She will be and is missed by all of us.*

“ *I'm so sorry for your loss. Verna was a great neighbor. She was a good friend to my mom. She gave me good advice and a lot of laughs many times. Take comfort knowing her suffering is finally over and she's in a much better place. You will see her again some day.*

“ I remember the day I found out I was pregnant. After waiting for so long, I was home planting flowers trying to keep my mind off of it until the doctor's office called me. Verna came over to our house and said she was too excited to find out. She told me to call them. So I did and got the news that after 6 years of fertility problems we were expecting a baby. She rode with me to pick up balloons and flowers to visit my husband at work and let him know and then to tell my Mom. Little did I know we had more in common as being a mother of twins. I was happy to share that moment with her. We cried and laughed we were so happy.
