“ *Shocked and saddened to read of Vickie's passing. I fondly remember many happy Pelfrey family get-togethers in my childhood with her and all our cousins. Though the busy years of adult life steered us all in many different directions I have always held Vickie, and all my father's extended family, close to heart and her passing is heartbreaking. Thoughts and prayers to all her family as you say your goodbyes. I'm sure that beautiful smile and sweet soul will be missed terribly.*
