“ *Uncle Vic, the one who always had a smile, always the first to greet you and start a conversation, his friendliness and zest for life was contagious. He will be missed. Many prayers for you Justine. Jerry and Cheryl Alford*

“ *Wanda and Jerry, it was with great sadness to read of Vic's passing. I lived next door to you all, worked for Curt and Vic and ate breakfast with Vic in Germantown with the veterans. It would be hard to say he was one of the nicest people I knew without including your whole family. The perfect TV family before TV came along. Your Dad kept us all entertained many evenings with his music and I've not seen anyone better since.*

*You both know how our family felt about yours. Too many good memories to recall so I'll just send the family's condolences. Not too many of us left. RIP Vic!*
