“ My dear sweet mommy the most kindest generous big-hearted unconditional loving mother a daughter could ever have. I miss you every second and every minute of every day. I ask myself how will I go on without you but I know you would want me to and that you wouldn't want me to be sad. So I will try to be strong as you were the strongest woman I know and "I am my mother's daughter" So Fly High Mommy until we meet again I love you with all that I am and all that I will be.
