“ So sorry for your loss. Vivian was so intelligent and skilled. Her dedication to the history and the people who created the City of Middletown was best described as a respectful passion to honor our past. The Middletown Cemetery has been restored due to her efforts she began many years ago.

“ So Sorry to hear of Vivian's Passing. We did not always see eye to eye about the Cemetery and other things but she was a Fire Cracker and was able to get a lot done. Prayers for the Family and Friends.
