“ So sorry to here this, I have lots of memories of Will I (TBEMF) I will share this, we were dirt biking back in 1977 at Caesar's Creek Lake before it was filled with water. We spent the day of it miles of riding, climbing, and lots of mud, long story shorten he cut his leg and we took him home to his dad Jim sad Willie Hospital (stitches) or duct tape. It was duct tape. R.I.P Willie.
