My husband and I have thought about you and your family since that fateful day. We have cried and prayed for you knowing that this man we did not know had a family that would be going through such deep loss. Please know, So many prayers have gone up in your behalf. We happened to be on Oxford State Rd. that evening. Before church I needed to go by a listing to check on the house. When this truck passed us on the curb side. As that driver went forward, we prayed that no one ahead would be hurt. I've cried so many tears about that day. Looks like Bill has such a large beautiful family. If you ever need to talk feel free to call us. We attend the Solid Rock Chirch. We have also known Bob Ball for myyears. Prayers. Larry & Gail Berry
