“ *Mark and Darrin, Your dad was a very special person, a member of the W. Elkton 1954 class. We were like brother & sisters with different parents. Wendal was the mischievous of our group and when something happened we could always look towards your dad. He was a very special person and friend. He, with us as with you and your families will sadly be missed the wonderful memories never forgotten. Don and Eileen Schul. Hagerhill Ky.*

“ So very sorry for your loss. Windal was the bass player in my dad's band. My dad was C.D. Craft. He was a very nice man and was very kind and caring. I do hope they are playing music together in Heaven. May God give you peace and comfort during this time.
